

HAPPY VALLEY SKATE PARK!

There is still time to be
a part of this project!
Buy a brick today!!!

In July the City of Happy Valley started a brick sponsorship fundraiser. These bricks can be inscribed with a name or a small message and will be inlayed into the pathways leading up to the skate park. **The bricks come in two sizes, 4"x8" for \$100, and 8"x8" for \$200.** (The brick order form can be found on our website at www.ci.happy-valley.or.us).

Our community is clearly excited about this new amenity. You can **be part of the excitement** by supporting your local skate park and donating today.
