WHY USE URBAN RENEWAL?

Many opportunities for improvements and redevelopment in cities that need funding

City general funds typically lack the funds to contribute to these opportunities or has needs for funding for infrastructure

Urban Renewal provides a funding source

UR 201 WHAT IS URBAN RENEWAL?

- Economic development tool
- Unique in that it is a financing tool, but also a plan with projects
- Used to address “blighting” influences in specific areas
- Functions on increases in property tax revenues in “Urban Renewal Areas”
- Used all over Oregon (Map on next slide)

CITIES WITH URBAN RENEWAL

WHAT IS BLIGHT?

- ❖ Blight is a precondition to any Urban Renewal Area
- ❖ Specific criteria defined by state statute, generally covers:
 - Underdevelopment or underutilization of property
 - Poor condition of buildings
 - Inadequacy of infrastructure including streets and utilities

HOW DOES AN URBAN RENEWAL AREA FUNCTION?

1. Income Source

- ❖ Yearly property tax collections based on growth within Boundary (more detail on mechanism in later slide)

2. Expenses

- ❖ Projects, programs, and administration

3. Spending Limit

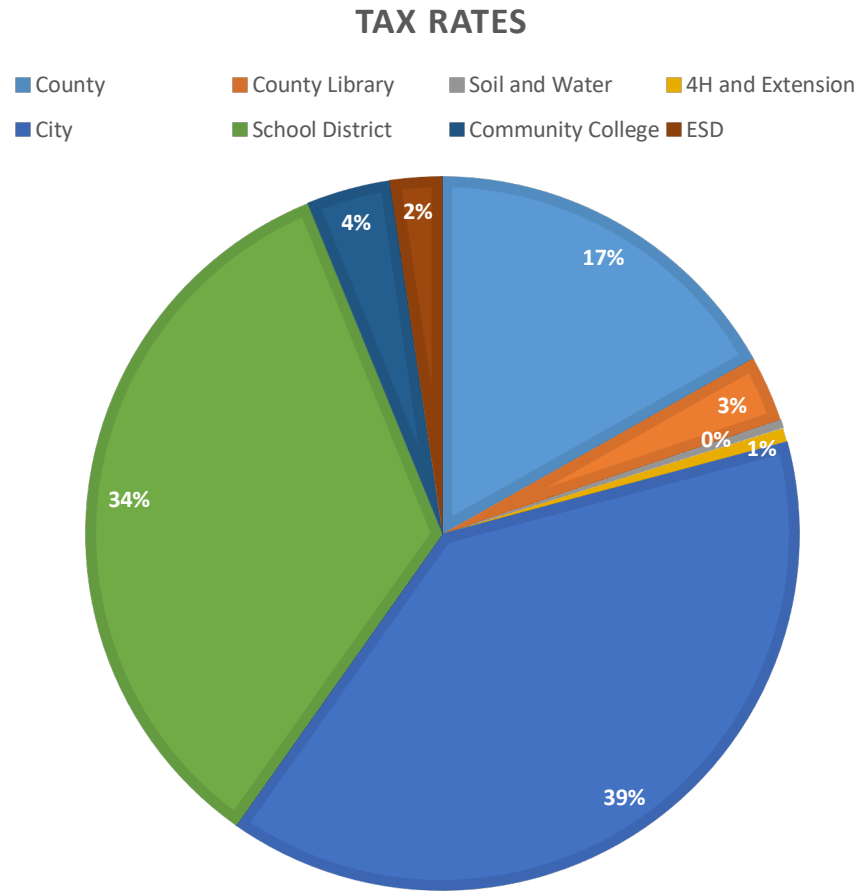

- ❖ Capped by Maximum Indebtedness (MI):
 - The total amount of money that can be spent over the life of the district on projects, programs, and administration.

PROPERTY TAXES AND URBAN RENEWAL

- Urban Renewals Division of Taxes does not increase property taxes, it uses increases in property taxes that were already happening
- Urban Renewal is a line item on your property tax bill
- The Assessor must go through the following steps when distributing Urban Renewal Taxes:
 1. “Calculation” of TIF to be collected
 2. “Distribution” of TIF Citywide to property tax payers
 3. “Collection” of property tax revenues

URBAN RENEWAL UTOPIA

The following slides detail in a conceptual manner the steps an Assessor goes through to distribute TIF revenues to an Urban Renewal Agency:

- Each home in the city has \$45 in new property tax revenue
- Each home, in or out of URA, pays \$12.25 to Urban Renewal Agency of the new property tax revenue that would have otherwise gone to regular property tax jurisdictions
- Regular property taxing jurisdictions receive \$32.75 in new revenue plus \$1,466 from the frozen base from each home
