CITY OF HAPPY VALLEY PARKS & RECREATION

Happy Valley Park Launches TRACK Trail Program to Connect Kids with Nature

The Happy Valley Parks & Recreation Department is thrilled to announce the opening of a new TRACK Trail at Happy Valley Park, part of the nationwide Kids in Parks program designed to make outdoor adventures more engaging for children and families.

This new TRACK Trail was made possible thanks to a generous grant from Oregon Parks Forever and features a custom activity brochure focused on the diverse tree species found in Happy Valley. We're especially grateful to our recreation partner and local business owner, Luke Fowler of Kidokinetics of SE Portland, whose connection to Oregon Parks Forever through his service on their board helped bring this opportunity to our community.

TRACK Trails are self-guided, family-friendly adventures that turn a simple walk into an educational journey. At the trailhead kiosk, families can pick up brochures that guide them through

fun, themed activities. Once a trail is completed, kids can log their adventure at kidsinparks.com to earn free nature-themed prizes, encouraging continued exploration and time outdoors.

We invite our community to get involved by visiting Happy Valley Park, walking the new TRACK Trail, and sharing the experience with friends and family. Whether you're a frequent hiker or new to outdoor activities, this program is a great way to get outside, get active, and connect with nature.

Let the trail be your guide—come explore with us!

Happy Valley Parks & Recreation Foundation

The Happy Valley Parks and Recreation Foundation works collaboratively with the City's Parks and Recreation team to help bolster park amenities and vital programming. At its core, the Foundation is dedicated to ensuring that parks and recreational programming are available for the enjoyment of all Happy Valley residents and visitors.

Donations to the Foundation not only help sustain City parks and natural areas, but they directly support such essential community programs as Meals on Wheels and recreational scholarships which directly benefit those who may otherwise not have access to these services.

Be sure to check out hvprf.org for more information and follow @HVPRF on Facebook!

The sponsors behind Happy Valley's big events

Building a stronger community, together!

Teamwork is essential for providing high-quality activities and events that bring our community together. That's why the Happy Valley Parks and Recreation team has established solid partnerships with local businesses and encourages sponsorship opportunities for many of our main events.

These sponsorships offer our partners a unique way to engage with the City and connect more fully with individuals and families. In return,

residents benefit from enhanced entertainment and opportunities to become more familiar with the City's thriving business community.

So, the next time you're at a community event, take a moment to peruse an event's signage or visit the sponsor booths on display. We encourage you to take notice of the many local businesses committing to giving back and helping make Happy Valley one of the best places to live, work, and play. Thank you to our 2025 sponsors!

Are you a local business interested in getting more involved in City events? Contact our Parks and Recreation Manager to learn more about our opportunities! Reach out to Stephani Hern for more information at stephanih@happyvalleyor.gov or 503-886-8419.

New Friends, Inclusive Fun: Our Work with Best Buddies

We're excited to share that Happy Valley Parks & Recreation is partnering with Best Buddies International to help make our programs even more inclusive and welcoming for everyone in our community.

At Happy Valley, we believe all kids should have the chance to play, learn, and have fun—no matter their ability. Our programs are already designed to be flexible, and we're always happy to make adjustments to meet each child's individual needs. This partnership with Best Buddies gives us extra tools and guidance to make sure we're doing that in the best way possible.

Best Buddies recently led an info session for our community,

sharing helpful tips and best practices for creating inclusive spaces. With their support, we're also adding a sensory-safe space to our summer concerts—a calm area where anyone needing a break from the noise and crowds can relax and recharge.

This partnership helps us continue building a parks and recreation

community where everyone feels welcome just as they are. We're excited about what's ahead and grateful to Best Buddies for being such a great partner.

Please reach out to let us know what kind of adaptive programming you're child would love, learn more or sign up for upcoming programs, visit hv.city/parks or contact us at **503-886-8415** or parks@happyvalleyor.gov.

Plan Your perfect neighborhood gathering!

Are you and your neighbors interested in holding a get together by way of a neighborhood block party? This is a great way to coordinate some summertime fun and get to know fellow residents. Through Labor Day weekend, Parks and Recreation is accepting permit applications for these events. Residents can simply fill out our online form and submit it virtually for review. There is even an option to request a street closure and safety barricades, which may help encourage more space for your neighbors to disperse and allow children to play more freely.

If you are interested in filling out an application, head to

hv.city/block-party. Applicants are encouraged to submit applications at least five business days in advance of the planned event so that the Parks and Rec team can make any necessary arrangements.

Adventure awaits with HV Hikers!

For nearly twenty years, this local hiking club has been a cornerstone of the community, inviting people of all fitness levels to explore the trails of Happy Valley. Their mission is to foster a welcoming environment where everyone can stay active, forge new friendships, and relish the natural beauty of the area.

The group's online calendar provides detailed descriptions of each planned hike, including the difficulty level and any terrain challenges. With frequent hikes on the agenda, you can easily find one that matches your interests and fitness level. Many hikes are suitable for all ages and abilities, with options that are stroller-friendly and dog-approved. Learn more by visiting hvhikers.com.

PARK ETIQUETTE: PRO TIPS FOR A SAFE AND ENJOYABLE EXPERIENCE

The days are getting longer and the weather is warming up! With more people out and about it's important for everyone to follow park rules to ensure a pleasant environment. Here are ten tips to help maintain respect and safety for all park visitors:

- 1. Be nice to neighbors.** Most parks are surrounded by neighborhoods. Respect residents by observing noise levels and ensuring that you don't block driveways when parking.
- 2. Watch the time.** Parks are closed from dusk to dawn unless part of a City permitted event.
- 3. Keep it clean.** Dispose of trash properly and report facility maintenance issues to 503-783-3800.
- 4. Mind your animals.** Clean up any pet waste and keep dogs leashed unless in designated areas.
- 5. No smoking, please.** Tobacco and smoking are prohibited on all park properties.
- 6. Leave the adult beverages at home.** Alcohol consumption is only allowed at permitted events by OLCC-approved vendors.
- 7. Slow down.** Adhere to the 10-mph speed limit and keep motor vehicles off paths and grass.
- 8. Stay above ground.** Avoid damaging park infrastructure and irrigation systems.
- 9. Protect your noggin.** Helmets must be worn at the skatepark as it's required by City law.
- 10. Remind youth of risks.** Educate children and teens on park safety and make sure little ones are supervised at all times.

Find the complete park regulations online at hv.city/park-rules. While Community Service Officers prioritize education, compliance with park rules is essential to avoid formal citations or exclusion from the park. Please help us ensure everyone enjoys Happy Valley's parks this summer, safely and courteously.
