MEMBERS MEETING FEATURED SPEAKER JULY 23RD

SPEAKER:

Representative April Dobson
District 39
Happy Valley, Clackamas & SE Portland

SESSION TOPIC: How the recent legislative session went and what changes we can expect to take place as a result.

Besides representing District 39, April Dobson has served on the North Clackamas School Board since 2023.

During the July HVBA Members Meeting, Representative Dobson shared the areas of focus that she worked toward during the recent Legislative Session. She explained how the House Democrats' caucus agenda was focused on affordability, safety, making government work, and protecting rights and freedoms while working within the framework of a balanced budget.

Housing and Homelessness is an issue that fosters working to ensure people can afford a home. Oregon is currently underbuilt and trying to catch up while balancing keeping Oregon Oregon.

House Bill SB916 was intended to get Labor and Management together working toward negotiation efforts for a Best / Last offer thus avoiding work stoppages.

The session included \$65M to fund the Clackamas Recovery Center campus site at 15301 SE 92nd Ave. in Clackamas.

Lessons that Rep. Dobson noted were that there needs to be a "bigger table" to include all constituents when working toward solutions.

Rep. Dobson went on to be recognized by Mayor Ellis for her efforts in securing \$5M for the future Happy Valley Recreation Center.

Delivering for Oregon

2025 Legislative Accomplishments & Local Impact

Happy Valley Business Alliance - July 2025

Session at-a-Glance

- 3,304 bills submitted, 640 sent to Governor → most are bipartisan
- House Democrats' caucus agenda was focused on affordability, safety, making government work, and protecting rights and freedoms
- Kept budget balanced amidst economic uncertainty, with limited, strategic investments (shelter, public safety, education)
- The transportation package requires continued compromise and work

Labor

Some of the session's most debated bills, required balancing interests and values

- Unemployment for striking workers **SB 916** → only applies to represented workers, capped at 10 weeks with 2 week waiting period
- GC liability for wage theft in construction **SB 426** → supports law-abiding contractors, only applies to large developments of more than 6 units
- Off-site prevailing wage for some work on public projects **HB 2688** → applies to custom "bespoke" work
- Fully funded BOLI budget for faster resolution

Looking Ahead: Challenges & Partnerships

- Regulatory complexity → comprehensive permitting reform
- Tax burden → open to pragmatic tax reform ideas that encourage investment while protecting core services
- Partnership example: worked with Pacific Seafoods to pass **HB 3814**, regulatory fix for Warrenton facility

July Business Spotlight

René Canler, HVBA President

The focus of the Happy Valley Business Alliance can be summed up in one word - COMMUNITY. From the initial formation 20 years ago, when a few business leaders collaborated with leaders from the City of Happy Valley at the Godfather's Pizza located in the plaza at SE 147th Ave., the commitment to community continues today.

It is with these humble roots that the excitement is building for the celebration of the 20th anniversary of the HVBA. René explained that the ask for sponsors is to offset the cost for attendance ensuring a relatively affordable ticket pricing for attendees.

If your business is interested in sponsoring the event, contact halley.lebleu@iqcu.com or info@hvba.biz
