DECEMBER 2025

## HVBA President's Corner

René Canler  
HVBA President  
rene@rootmortgage.com

*We are in a season of gratitude.*

*Honored to be the Happy Valley Business Alliance President, I'm grateful for the HVBA Board and its Membership. It's a gift to support our volunteer work with folks that care about our city and business community.*

*Highlights of 2025 include the following.*

- **Brand new website!** We kicked off the new year with a brand new website. As one of my goals as the HVBA President, the purpose of the new website was to create more opportunity for authentic connection, on a pretty, more seamless website.
- **Consistent Networking Socials.** As many in the membership asked for a second monthly meeting opportunity, the intent of the Networking Social is to provide networking opportunities on the second Wednesday of the month from 4-6 p.m. We've had a great showing and look forward to continuing in 2026.
- **Community Outreach.** By being a City Sponsor for the second straight year, the HVBA has had booths at many city events including Concerts in the Park, the 4th of July, Oktoberfest, and the most recent, Happy Valley Tree Lighting. This has allowed HVBA members to sign up and be present, in front of its community, at our booth throughout these events.
- **Youth Entrepreneurs Program.** What a treat to continue to sponsor the City of Happy Valley's Youth Entrepreneur Program. Members show up and support the youth, along with their families, during big city events.
- **20th Anniversary Celebration.** We celebrated 20 years by throwing a party! This event truly memorialized that the present is our true gift. Time is never wasted if you succumb to your authentic self.
- **Official HVBA Day** – November 4. Thankful that the City of Happy Valley, its Councilors, and Mayor proclaimed November 4 as the Official Happy Valley Business Alliance Day.

*What's to come in 2026?*

*Happy Holidays.*

*I look forward to our paths crossing soon,  
René*

## SPEAKER:

Suzanne Washington  
CEO, [Meals on Wheels People](https://www.mealsonwheelspeople.org)

## SESSION TOPIC:

Meals on Wheels People: Delivering meals, connection, and compassion for more than 50 years

Suzanne Washington shared the Meals on Wheels People service model, how they work in Happy Valley and beyond. For more than 50 years, MOWP has been meeting the social and nutritional needs of older adults in our community.

Their focus is to provide healthy meals and keep seniors connected. They operate using food as the entree into a senior's life. This is accomplished by the "Friendly Chat Program" that utilizes 2,000 volunteers connecting with seniors via regular phone calls. During 2024 MOWP served 1.5 million meals, with 1 million to seniors as well as .5 million to children.

Service is provided to eligible participants 60 years or older. They are also seeking volunteers deliver meals to homebound seniors, make phone calls, serve lunch at a dining center, and so much more. Visit [MOWP.org](https://www.MOWP.org) for more information.

## OUR TRACK RECORD

We're committed to helping seniors maintain their independence by providing them with nutritious food, human connections, and social support. \$.84 cents of every dollar we make goes straight into providing meals and support.

**\$.84 of every dollar goes towards meals & services for homebound older adults.**

# Happy Valley Happenings

## Pints with Purpose Brings Happy Valley Together.

Happy Valley once again came together in a big way this past month as Happy Valley Parks and Recreation partnered with local taphouses for the annual Pints with Purpose campaign an effort dedicated to supporting seniors in our community through the Meals on Wheels People program.

Each year, Pints with Purpose reminds us of the impact of something simple: sharing a pint with friends can also mean extending a hand to a neighbor in need. Participating taphouses featured a select beer and pledged \$1 from every pint sold to help provide warm meals to homebound seniors. These meals offer not only nourishment, but also vital connection for older adults who may feel isolated or face challenges preparing food on their own.

While this year's totals are still being finalized, the community's generosity continues to make a meaningful difference, helping ensure seniors in Happy Valley receive the support they rely on.

In addition, members of our Community Service team spent the day before Thanksgiving at New Seasons, greeting shoppers with smiles and spreading the word about the Donate Dinner program. Thank you to everyone who stopped by, learned more, and contributed to helping local families in need this holiday season. Every donation truly makes a difference!

## Find Your Heart in Happy Valley

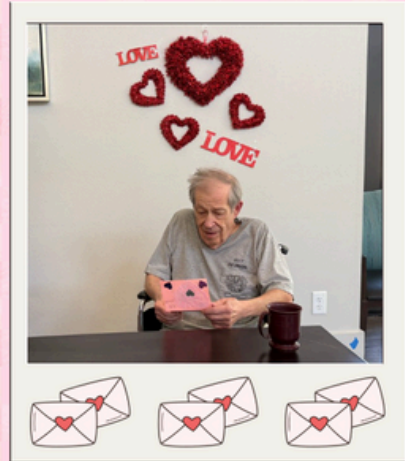

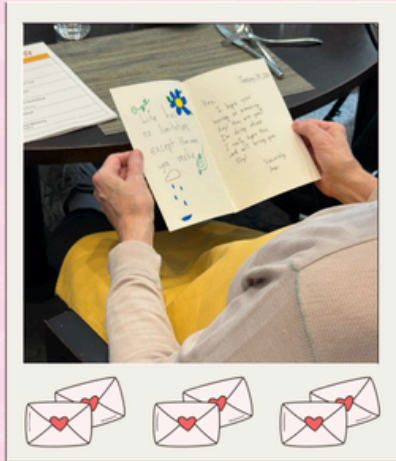

Happy Valley Parks and Recreation is kicking off the new year with a city wide winter treasure hunt! From January 5-January 30, residents of all ages are invited to search for handmade glass hearts, each one lovingly created by Sweet Lomy Art, hidden at various locations throughout the community.

Each Monday morning at 10am, a new clue will drop online leading explorers to a new secret spot somewhere in Happy Valley. Use your sleuthing skills, think outside the box, and follow the riddles carefully... they just might lead you to a hidden treasure. If you're one of the lucky adventurers who finds a heart, you'll get to take the beautiful glass piece home as a keepsake!

This is a free, family-friendly adventure designed to get people outside, connect with public spaces, and enjoy a little bit of mystery this winter season. A very limited number of glass hearts will be hidden throughout the month, so stay tuned and don't miss your chance.

The first clue will be released at 10am on January 5. Check our website and follow Happy Valley Parks and Recreation on social media for weekly clues and updates.

Share the Love This Valentine's Day! ❤️
